NEXT STEPS

CALL FOR MENTORS

Recruitment of mentors has just started in all project countries.

Are you a **green entrepreneur** or a **business professional**?

Do you have some time to guide young people in their path toward green entrepreneurship?

Become part of **Green Up mentorship team**, present yourself through our platform and be a source of inspiration for the pilot participants.

Visit [Green Up Yourself website](#) contact the partners and come on board!

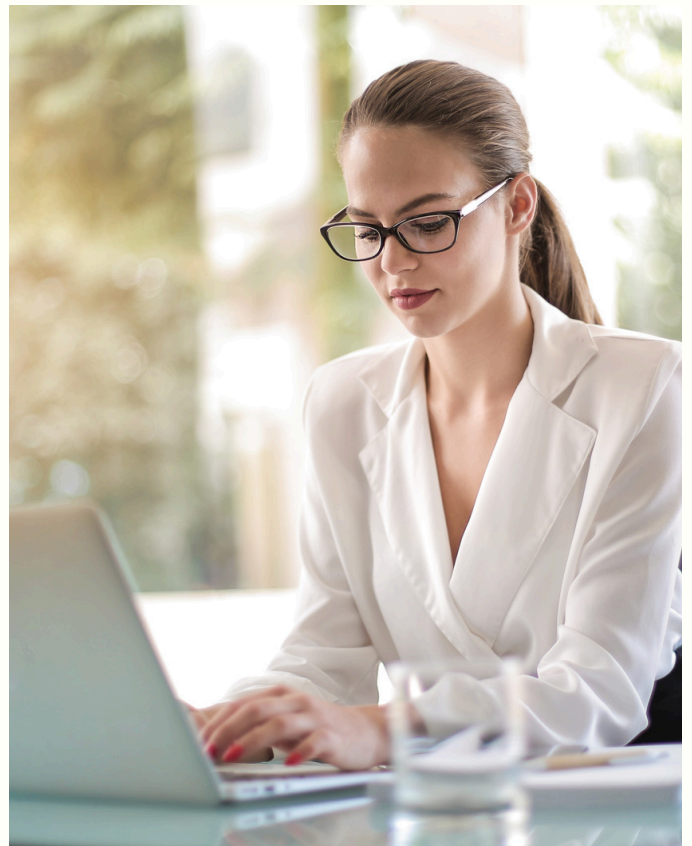

CALL FOR PILOT PARTICIPANTS

A series of workshops designed both for **young people** and **youth workers** will be held in all project countries in fall 2024.

These workshops aim on one side **to empower young people with the knowledge, skills, and resources to make a positive impact on environmental sustainability and explore opportunities within the green economy** and on the other side **to provide youth workers with tools and resources to train young people on the topics connected to green entrepreneurship.**

Are you interested in taking part in this workshops?

Visit [Green Up Yourself website](#) contact the partners and book your place!

NEXT STEPS AND KEY INFO

The partners will meet in **Cyprus** in June to validate the **training programme** and the **e-learning platform** and to get prepared for the **piloting phase** which will be running in fall 2024 in all countries involved in the project.

At the same time, our **awareness campaign** is running till December 2024.

Follow our **IG** and **FB** pages and learn more about key concepts around which the project is built.
